

We invite you to participate in the 6th edition of the Conference:

„Young Researchers’ Innovative Ideas: Science Start-Ups in the Industry”

which will be held on 12-13 May 2020

The conference will be held online!

It is our pleasure to invite young researchers and PhD students to prepare presentations about innovative solutions (social, organizational, marketing, product, and process-related) addressed to business entities.

Thematic areas:

- University Social Responsibility
- Mechanics, mechatronics and nanotechnologies
- Management of mineral resources
- Environmental Protection
- Economics and management
- Energy industry
- New Information and Communication Technologies

Innowacyjne pomysły młodych naukowców:
Nauka - Start'up - Przemysł

The development and implementation of innovation is being widely discussed now both at the EU forum as well as in Poland). Many documents emphasize the need to create a knowledge-based economy by means of increasing scientific potential, mobility of academic staff, and commercialization of inventions and innovations. Therefore, the purpose of the conference is to promote innovative solutions which are largely created by young scientists and students.

The participation in the conference is free of charge Due to the COVID-19 virus outbreak , the conference will be held online.

The necessary condition of participation is Filling out and submitting an electronic form (by April 20, 2020): <http://iati.pl/en/polski-vi-edycja-bezplatnej-konferencji-pt-innowacyjne-pomysly-mlodych-naukowcow-nauka-startup-przemysl/>

Presentations and posters

Presentations and posters proposals for the titles of presentation and posters with a summary (minimum 200 words in the form of the purpose of the work, method, application possibilities) should be send via the form on the website: <http://iati.pl/en/polski-vi-edycja-bezplatnej-konferencji-pt-innowacyjne-pomysly-mlodych-naukowcow-nauka-startup-przemysl/>

We anticipate presentation sessions (7 minutes) and poster sessions – an electronic poster (2 minutes – up to 2 PP slides).
In each session, the best poster/presentation presented is will be awarded.

Program:

12.05.2020 r.

09:00-10.30 I presentation sessions
11.00-12.30 II presentation sessions
12.30-13.30 Lunch break
13.30-15.00 III presentation sessions
15.00-16.00 Poster sessions

13.05.2020 r.

10.00-11.30 IV presentation sessions
12.00-14.00 V presentation sessions
14.00-15.00 Poster sessions

Scientific Committee:

prof. Joanna Kulczycka – chairwoman
prof. Wioletta Bajdur, prof. PCz, PCz Czestochowa
prof. Liana Czernobay, Lviv Polytechnic National University
prof. Beata Dubiel, AGH Kraków
prof. Krzysztof Gaska, PŚI, Gliwice
prof. Agnieszka Generowicz, PK Kraków
prof. Natalia Iwaszczuk, WZ AGH Kraków
prof. Andrzej Jarosiński, MEERI PAS Kraków
prof. Zygmunt Kowalski, MEERI PAS Kraków
prof. Zhanna Poplavskaya, Lviv Polytechnic National University
prof. Maria Richert, WZ AGH Kraków
prof. Sergii Sharyn, Vasyl Stefanyk Precarpathian National University
prof. Viktor Shevchuk, Lviv University of Trade and Economics
prof. Andrzej Wojciechowski, WZ AGH Kraków
PhD Eng. Józef Ciuła, Śląskie Wodociągi
PhD Eng. Anna Czaplicka, PK Kraków
PhD Eng. Ewa Kocharńska, CBI ProAkademia, Łódź
PhD Bartosz Łamasz, WZ AGH Kraków
PhD Eng. Dariusz Sala, WZ AGH Kraków
